

Ecublens, the 23rd of June 2023

Certificate No: **04-CERE**

CERTIFICATE OF COMPLIANCE - CONFLICT MINERALS

Dodd-Frank Wall Street Reform and Consumer Protection Act (2010)

UNIMED hereby certifies that the used stainless steel as well as brass do not contain the conflict minerals cassiterite, wolframite, coltan or gold and none of these minerals is added as intentional ingredient in the fabrication of their products.

UNIMED therefore declares that its products comply with the above regulation.
